

PROGRAMMIERUNG

$$V = \text{IQ} \times K \times Z \times F \times F$$

Diagram illustrating the components of the programming equation:

- IQ** (Investor-Qualität) is circled in blue.
- K** (Kapital) is connected to **INVESTOR-QUALITÄT** by a dashed line.
- Z** (Zeit) is connected to **ZEIT** by a dashed line.
- F** (Fokus) is connected to **FOKUS** by a dashed line.
- F** (Frequenz) is connected to **FREQUENZ** by a dashed line.
